# MEDITATION FUNNIES

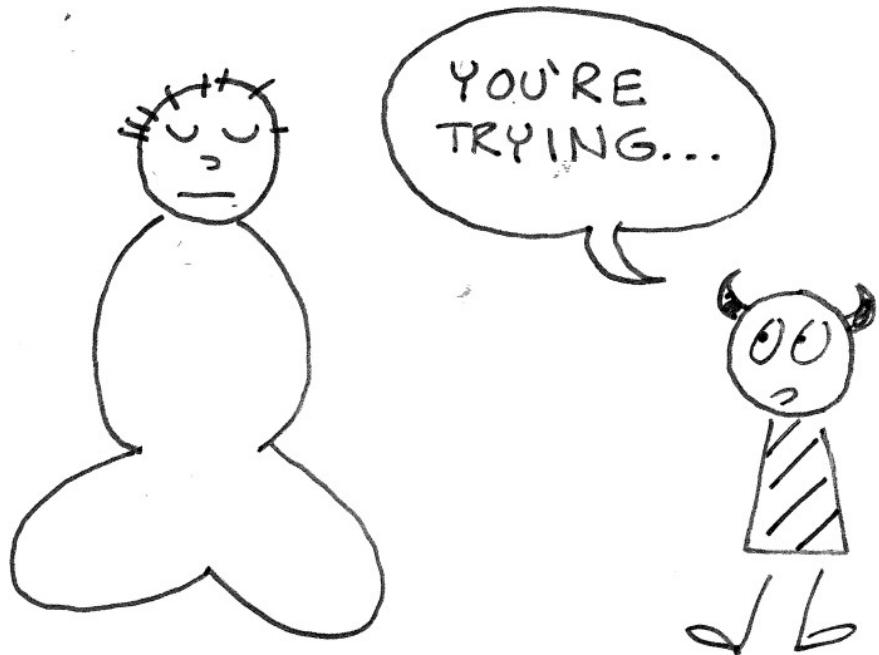

CONTENT  
NOTE:  
SUICIDE

“A monk, o Monks, goes into a forest, or to the foot of a great tree, or to a lonely place, and there sits down, cross-legged, holding his body upright, and practises Introspection.

“He breathes in attentively, and attentively breathes out.

Drawing in a long breath, he knows: ‘I am drawing in a long breath,’ exhaling a long breath, he knows: ‘I am exhaling a long breath.’

Drawing in a short breath, he knows: ‘I am drawing in a short breath,’ exhaling a short breath, he knows: ‘I am exhaling a short breath.’
